This is to confirm that your poster "An Integrative Bioinformatics Framework for Transcriptomic Reanalysis Reveals Regulatory Architectures In the Lychee Response to *Peronophythora*" has been submitted for the Plant and Animal Genome Conference / PAG 34

(January 8-12, 2027) to be held in San Diego. Your abstract has been preliminarily ACCEPTED for presentation. Note that all accepted abstracts are considered public information and by submitting an abstract you agree to license PAG and Scherago International to post the abstract on the conference web site. Final acceptance emails and poster numbers will be sent in December.

To request a Visa letter, please click [here](#).

We recommend that you look at your abstract to be sure that it is complete, accurate and free of any errors. To see your submission, please click [here](#). You may revise your submission until Thursday, December 31, 2026. Changes to the title, authors, etc. can be made by using the labeled steps along the top of your screen.

**** Poster Printing & Delivery Options ****

PAG is working with [PosterPresentations.com](#) to provide additional and convenient options for poster printing and delivery. Posters can be uploaded to the PosterPresentations.com website (pdf format preferred) and printed, and attendees will have the option of FREE shipping to the conference for pickup. All posters must be no larger than 34 inches wide by 45 inches tall (1.09 meters by 1.14 meters) and prepared in Portrait orientation. All posters will be printed on premium quality 10mil photographic paper at 600 DPI resolution.

Please click [here](#) for answers to questions regarding the posters sessions or you can email any of the abstract coordinators with questions not covered there.

Gerard Lazo - grlazo@gmail.com

The official poster sessions will take place on the Monday of the conference at: 10:00am - 11:30am - EVEN number posters

3:00pm - 4:30pm - ODD number posters

You are expected to be available at your poster during your scheduled poster session.

Your poster number will be emailed sometime in December. Poster numbers will also be included in the app.

All posters must be no larger than 34 inches wide by 45 inches tall (86 cm x 117 cm) and prepared in Portrait orientation. This is the actual usable space. Each poster board will have two posters per side so you **MUST** adhere to the dimensions of the usable space when creating your poster.

Please inform us as soon as possible if a change in plans occurs which prevents your attendance so we can reassign the poster space.

Thank you for submitting your abstract. We look forward to your participation at PAG 34.

Cordially,

PAG 34 Organizing Committee
